High Line Roofing is a roofing company that specializes in both residential and commercial roofing. We are proud to serve our customers in greater Fort Worth, Keller, North Richland Hills, Denton, and surrounding areas.

Our commitment to excellence in service and to bring unmatched customer service is what sets us apart. We aim to continue doing that for the continued satisfaction of our present customers and establish new relationships with potential customers in the future.

Our roofing professionals offer an unparalleled combination of skills, knowledge, and experience. They bring that total package to each and every new project that we work on – to the complete and total satisfaction of our residential and commercial customers alike!

Mon. to Sun: 8:00 am to 5:00 pm
