

WHY CHOOSE ATS AWNINGS?

We're proud to be an award-winning company for outstanding services and trade. Our highly qualified team have you covered with over 50 years of industry experience. However, best of all, our awnings come in a range of styles and materials to suit the exterior colour scheme of your property.

ATS Awnings are your local provider of outdoor home improvement additions and installations. With a combined experience of over 50 years in planning, designing and constructing outdoor additions across Sydney, Campbelltown and the South Coast, we're leaders in our industry.

Our skilled and experienced team work closely with our clients to realise their vision and lifestyle needs. Whether you're building your first outdoor patio, or simply need a carport to protect your prized possession and add to your home's value, ATS Awnings can assist with all of your outdoor lifestyle needs.

We're proud to ensure that all of our installations include a statutory workmanship guarantee and up to 25 year manufacturer warranty.

For years, we've always strived to maintain a high level of customer care and installations over the years. It has earned us nominations and a 2018 Local Business Award for Outstanding Service & Trade as well as finalists in previous years.

We are committed to making the experience as easy for you as possible by providing onsite quotes, planning, organising the council approval and clean up on completion.

Our design consultant works closely with you to create a design to best suit your budget and compliment your home. Money spent on an ATS addition is an investment for your

home and lifestyle. A quality addition can increase the value of your home, as well as its size by creating an additional living space for you to enjoy all year round.
