BEFORE.

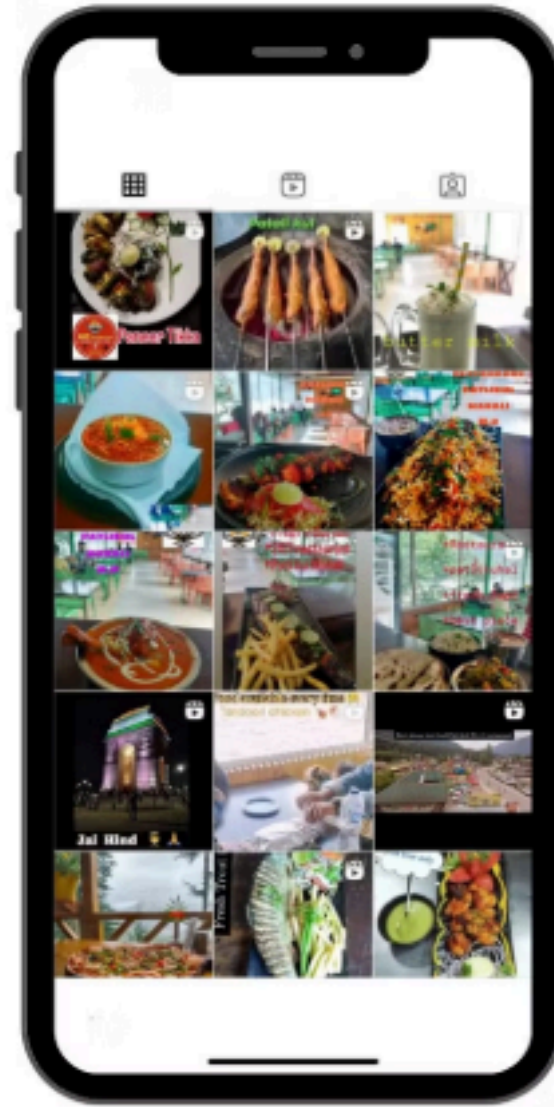

This brand lacks a cohesive theme. The overall design is cluttered and visually unappealing, which fails to attract the target audience.

We have made changes and applied a purplish theme, which is now visually appealing and makes the brand more attractive.

AFTER.

BEFORE.

This restaurant brand lacked a cohesive theme, and the dull visuals failed to attract the target audience.

By incorporating four main colors—green, red, yellow, and orange—we made the brand more visually appealing and engaging for the target audience.
